

Local Compassion

Goal:

International Students, Inc. (a.k.a. ISI) offers Biblical friendship from local Jesus followers to the 2,000 undergrads, graduate students and postdoc scholars at UCSC from China, India, and nations around the globe.

These students are far from home and eager for friendship and cultural exchange with local Americans, like you. Your friendship with ONE of them can influence many people in their nation for Christ.

Time Commitment:

As an ISI Friendship Partner, you meet monthly or weekly with one international or family. You can also help with ISI Friendship events. Orientation (90-minutes) required for new volunteers.
