

The Palette: Sunday Gatherings Audio Engineer

Mission: To provide a distraction-free auditory environment in order that people might worship Jesus more fully. To mix quality audio with skill, and respond to the ever-changing needs of the live audio environment.

Time Commitment:

- 7(+/-) hours on the specific week you're serving
 - Commit to serving at least once-twice a month for Sunday gatherings
 - 2-2.5 hours for Thursday Band Rehearsal
 - Sunday Gatherings: 7:00 am-12:30pm or 3:15-5:30pm
- Any all-Palette or specific team development outside Sunday Gatherings(celebration nights, Palette Vision Nights, etc.) - Usually on a quarterly or bi-annual basis.
- Optional: on-going training (opportunities provided at least every other month.) Usually after a gathering for 30 mins-1 hr.

Supported by: Audio Engineer Team Leader, Director of Creative Arts.

Personal Responsibilities:

- Seek to grow in relationship with Jesus through the spiritual practices of prayer, worship, and scripture reading.
- Live out the VFC principles of being a Worshiping Community of Missional Theologians.

Ministry Responsibilities

- Arrives 15 minutes before the band to ensure equipment is set up and ready.
- Stays shortly after gatherings to play music and shut down front of the house.
- Assists with sound equipment set-up (load-in) and tear-down (strike) as necessary.
- Be on time and ready to give God your absolute best at every opportunity
- Ensure mix and volumes sound as good as possible
- Listen critically to everything and be willing to give helpful feedback.
- Respond promptly to schedule requests
- Communicate technical issues to the technical coordinator or team leader.
- Be familiar with the gathering flow to anticipate what's coming "up next" in the gatherings and execute accordingly. Think quickly on the fly to respond to difficulties.
- Be a humble team player, able to receive instruction and feedback
- Attend and participate in all-Palette team and vision nights.
